

## DATA SHEET

### Main

|                                              |                                |
|----------------------------------------------|--------------------------------|
| Product range:                               | External Lid                   |
| System Wiring Installation:                  | Cable Trunking                 |
| Product or component type:                   | Canal de cabluri pt. instalare |
| Material trunking:                           | PVC-Pb Free                    |
| Trunking size:                               | 40x25                          |
| impact resistance:                           | 2 J (IK07)                     |
| flame retardant:                             | flame retardant                |
| Electrical continuity:                       | without electrical continuity  |
| insulating properties:                       | with insulating properties     |
| Degree of protection:                        | IP20B                          |
| Rated voltage:                               | 400 V                          |
| Fire reaction class of underlying material : | A1-F                           |
| Inside area (mm²)                            | 560 mm²                        |
| Mechanical protection :                      | IK07                           |
| The ambient temperature of use:              | -5...60 °C                     |

|                      |                          |
|----------------------|--------------------------|
| Tint:                | white                    |
| Installation method: | With screws              |
| Material :           | PVC (polyvinyl chloride) |

|            |                    |
|------------|--------------------|
| Standards: | SR EN 50085-1      |
|            | SR EN 50085-2-1    |
|            | SR EN 50085-2-1.A1 |
|            | SR EN 50085-2-2    |
|            | SR EN 50085-2-3    |
|            | SR EN 50085-2-4    |

### General tests:

OICPE (ELECTRIC PRODUCTS CERTIFICATION INDEPENDENT BODY)  
ROMANIA RENAR  
SR EN ISO/CEI 17065:2013

|                 |                                 |
|-----------------|---------------------------------|
| PRODUCT:        | 40x25 Cable Trunk Adhesive Type |
| Color:          | White                           |
| Adhesive:       | 34 mm                           |
| Height (mm):    | 2000±10                         |
| Weight (g):     | 430gr±10gr                      |
| Thickness (mm): | 0,9±0,03                        |
| Height (mm):    | 25±0,03                         |
| Width (mm):     | 40±0,03                         |
