

TECHNICAL DATA SHEET

Model and Manufacturer Information

Product Description	: Straight Uni-Shuko (dual earthing) plug
Model Code	: REF-O
Stock Code	: 950-301-0002

Product Photo

Technical Specifications

IP Class	: IP54
Current Capacity	: 16A
Gerilim Kapasitesi	: 230V~
Voltage Capacity	: Uni-Shuko
Cable Length	: -
Cable Cross Section	: Max. 2.5 mm ²
Cable Type	: H05VV-F
Pole	: 2P+E
Operating Temperature	: -20°C & +60°C
Material	: PPC

Packaging Information

Box Pieces	: 50
Package Pieces	: 300
Weight (package) kg	: 2,8
Weight (box) kg	: 17,5
Size (package) cm	: 36*24,5*14,5 (L*W*H)
Size (box) cm	: 51*36*46 (L*W*H)

Design and Features

Roller Mechanism	: -
Security Features	: The contact slots are made of flame retardant plastic material
Areas of Use	: Suitable for indoor and outdoor use

Standards and Certificates

Manufactured by performing all routine tests in accordance with
TS IEC 60884-1/Cor1:2024; standard

Emfanorm Electronic Plastic Industry Co., Ltd.
